

PROCESS + DELIVERABLES

Consultation

Day One

Meet your designer + introduce us to your project. We'll measure your space and ask questions that help us determine your needs and style.

Design

2 Weeks

Get in the mood! Our mood boards and drawings will help you visualize the scope and design direction of the project.

Selections

2-4 Weeks

Approve concepts for cabinetry, lighting and furniture selections and see samples of key materials.

Installation

8-12 weeks

We plan a "walk through" with the experts who will be bringing your project to life. Your designer will manage any issues that arise and keep you posted throughout the process. A final punch list ensures every detail is just the way you imagined.
